

## Blueberry Baked Oatmeal

*recipe from [blog.ashleypichea.com](http://blog.ashleypichea.com)*

Yield: 4-6 servings  
Prep Time: 5-10 minutes  
Cook Time: 25-30 minutes

1. Melt **1/2 cup of butter** & stir in **1/2 cup of brown sugar** & **1 cup of milk** {I used coconut milk}.
2. Add **2 eggs** and **1 teaspoon of vanilla** and mix well.
3. Mix in **1 teaspoon of salt**, **2 teaspoons of baking powder**, and **1 teaspoon of cinnamon**.
4. Add **3 cups of oats** {I used quick oats} and **2 cups {or so} of blueberries** {mine were frozen}.
5. Fold all the ingredients together and put into an **8x8 glass pan** {or whatever you have on hand that is similarly sized}.
6. Refrigerate or bake immediately - I usually refrigerate mine for a few hours before baking.
7. Bake at **350 degrees** {Fahrenheit} for **25-30 minutes** {oatmeal shouldn't be runny when done}.
